FUND RAISING FOR THE BUTTERFLY GARDEN

Copies of the donor sheet for the paving stones were distributed and discussed at length, with some minor amendments made to the layout and wording. The pamphlets will be printed on yellow paper and distributed with the Report Cards on 8th March. It was agreed that no deadline for donations would be set with this mailing, but a deadline would be set for the next mailing in April.

We need to have a system to organize the receipt of orders, which will probably be sent to the office. Munns School is also doing the same fund raiser and their stones will be engraved at the same time. There are 168 stones per bundle.

OTHER BUSINESS

- \$1000 still outstanding from CN. Maggie to follow up, as no reply has been received to two faxes sent.
- NFB videos in the series "Crack in the Pavement" are now available, with the Dreamacres project featured in the video "Digging In". There will be an opportunity to view these in the near future
- Maggie is working together with both Halton school boards to produce Guides to Naturalization for use in the schools.
- Briefly discussed the need to promote the Dreamacres project within the Sunningdale community, on an ongoing basis.
- Marius mentioned that the Dreamacres committee is being considered for an award from the Ontario Association of Landscape Architects.

The next meeting is scheduled for Tuesday, March 27, at 7:00 p.m. in the school library
