1. Completion of Butterfly Garden

An assessment was made of the quantities required for material to complete the garden.:
Boulders - \$1000, woodchips – free, leaf compost - \$636, mulch - \$270, bobcat – free (\$800).

Timeline would be:

- Choose rocks
- Contact Teufels with regard to bobcat availability

We have to know if enough money can be raised from bulb sales and from Canada Trust to cover the costs,

- Confirm \$s raised from bulb sales (if necessary, send out a reminder to return order forms immediately)
- Confirm with Canada Trust the guidelines for funding, i.e. whether they will cover cost of leaf compost and mulch, and what is the timeline – how long would it take to process our application.

The next meeting of the Dreamacres Committee will be at 4:00 p.m., October 9, in the school library.
